ALUMNI MEET 2025

The **Alumni Meetup** was a proud celebration where alumni reunited, shared memories, and were felicitated for their excellence and achievements. The day was filled with multiple engaging events, networking sessions, and joyful moments that made it truly memorable.

Job Connect Event

Today, we had the opportunity to visit the **Job Connect Event**, which is associated with over 30 companies. During the visit, we had a fruitful interaction with **Mr. Gaikwad** (Owner) and **Mr. Shubham** (HR)

We discussed a wide range of current vacancies in both technical and non-technical domains, including IT and Non-IT roles. We also shared details about our upcoming Job Fair scheduled for 11th August 2025.

They responded positively and assured us of their support by promising to arrange HR representatives from 2 companies to participate in our Job Fair.

Placement Collaboration

We had a productive and insightful meeting with the **Fund Audit** team, including:

Mr. Mansoor Sir – CEO

Ms. Pooja Ma'am – HR Head

Mr. Abdul Sir

Key Discussion Points:

We discussed organizing a placement drive for the following roles:

- Data Analyst
- Business Analyst
- Full Stack Developer
- Digital Marketing Executive
- Business Development Associate (BDA)

The Fund Audit team assured us that they will be sharing the Job Descriptions (JDs) shortly. They also confirmed their willingness to visit our office to conduct the placement drive.

Future Collaboration:

We further explored the opportunity to sign a Memorandum of Understanding (MoU) for long-term collaboration. The response was very positive.

Mr. Mansoor Sir emphasized the importance of delivering quality candidates to ensure a strong and lasting partnership.

Placement Collaboration

Today, we had the opportunity to visit the **SiGa Systems** and had a productive interaction with Ms. Riddhi Badak (HR).

Key Highlights of the Meeting:

- Discussed current job openings and hiring requirements.
- Shared information about our upcoming Job Fair scheduled for 11th August 2025.
- The company responded positively and expressed interest in future collaboration.
- They assured us that they will be sharing Job Descriptions (JDs) shortly to support placement activities.

Current hiring focus: Candidates for PHP and MERN Stack Development.

Placement Collaboration

Today, we had the opportunity to visit **RSL Solution** at their Akurdi office. During the visit, we had a constructive interaction with Mr. Paras Sir.

Key highlights of the meeting:

Discussed current job openings and hiring requirements.
Shared details about our upcoming Job Fair scheduled on 11th August 2025.
The company responded positively and expressed interest in collaborating.

They have assured to share job descriptions (JDs) to support the placement of skilled candidates.
